Subject - Need for the financial help of a recurring nature from the Mugur Minor Municipal Council to the Rural High School, T Narsipur

---

With reference to your letter No R 5538 dated 22nd November 1948 forwarding a copy of letter No D3 C 924/48-49 dated 14th October 1948 addressed to Government by the Deputy Commissioner, Mysore District, Mysore in regard to the contribution of a sum of Rs 500/- per annum towards the recurring expenditure of the Rural High School, T Narsipur from the Mugur Minor Municipal Council and enquiring if the High School under reference is working satisfactorily etc I have the honour to state that the School under reference is an Aided High School and it is working satisfactorily Temporary recognition has been granted to the School by the Department for two years from 1947-48

As regards the need for the contribution of Rs 500/- per annum - proposed to be paid by the Mugur Municipality towards the recurring expenditure of this school, I wish to state that as per the statements of income and expenditure of this school for the year 1947-48, the net - authorised ~~Income~~ expenditure for that year is seen to be Rs 1,590-13-0 The - maintenance grant that is admissible for the year 1947-48 to the school from the Department will be three fourths of Rs 1,590-13-0 i e -- Rs 1,193-1-0 The management's share of the expenditure for that year will therefore, be Rs 397-11-0 During the current year the expenditure in respect of this school may perhaps be something more than that of the previous year on account of opening additional sections and other commitments Further, the school is still in its infancy and it may require funds to meet the increasing demands for the maintenance of the School satisfactorily I am of the opinion that the school under reference is in need of the contribution proposed to be paid by the Mugur Minor -
